

Show Name	MILIPOL ASIA-PACIFIC & TECHX SUMMIT 2024
Tagline	<i>Powering Innovation: A Safe & Secure Future</i>
Event Overview	<p>Milipol Asia-Pacific & HTX's TechX Summit have come together to showcase how science and technology is central to enhancing public safety and national security in the Asia Pacific. This landmark event will bring together top Government officials, operational experts, industry leaders and academia to discuss the latest solutions, strategies and challenges; share technological trends; and foster greater collaboration within the international Homeland Security community. This joint event underscores our commitment to address some of the most critical challenges in the Homeland security space, through Science & Technology and AI.</p> <p>The HTX-led Conference for 2024 centers around the theme: "<u>Artificial Intelligence and Homeland Security</u>". The conference aims to provide an impactful and engaging platform for thought-leaders and practitioners in government, industry and academia to discuss trends, strategies, challenges and the latest innovations, as well as to provide invaluable networking opportunities to foster greater collaborations.</p>

About Milipol Asia-Pacific

Cementing its position as the leading Homeland Security event, the 10th edition of Milipol Asia-Pacific takes place from 3 to 5 April 2024 at Sands Convention Centre in Singapore and remains to be the go-to event for international homeland security professionals. The Asia-Pacific edition brings together a vast array of Government and public sector homeland security professionals on a centralized platform in a collective theme to power innovation for a safe and secure future across the region.

Law enforcement, counter-terrorism and public safety professionals from around the globe can experience an unparalleled, high-quality event is exclusively focused on Counter Terrorism, Internal State Security, Law Enforcement, and all aspects of Public Sector Security from the Asia Pacific Region and beyond.

Visit www.milipolasiapacific.com for more information about Milipol Asia-Pacific.

About TechX Summit

TechX Summit (TXS) is the biennial conference organised by HTX (Home Team Science & Technology Agency) to bring together top minds from around the world to exchange ideas about science and technology that is focused on public safety and security.

The inaugural TechX Summit held in 2022 brought experts and thought leaders from around the world to share insights on leading science and technology trends that are transforming public safety and security. It was attended by more than 3,000 participants in-person as well as virtually.

Conference topics will include but not limited to the following:

1. Strategic Overview of AI and Homeland Security: Current States and Future Directions
2. Industry's Role in AI Deployment for Homeland Security
3. Safe Adoption of AI
4. Securing Borders: Threats and Challenges
5. Battling Cyber Crimes and Scams
6. Human-Centric Innovation in the Age of A

For more information, visit <https://www.techxsummit.sg/>.

About Comexposium

The Comexposium Group is one of the leading event organizers worldwide, creating events that bring communities together to discover and explore businesses, passions, and interests. Comexposium organizes more than 150 professional and public events, covering more than 10 sectors of activity. The group connects 48,000 exhibitors and 3.5 million visitors, 365 days a year.

Since its incorporation in 2008 as a joint-partnership with GIE Milipol and Comexposium group, Comexposium Singapore has established itself as a leader specializing in international homeland security exhibitions and conferences within Asia Pacific. Key international homeland security exhibitions and conferences within the Milipol Group include Milipol India, Milipol Paris and Milipol Qatar.

In addition to its events, Comexposium creates experiences, as well as opportunities for individuals to meet, enabling communities to connect throughout the year, through an effective and targeted omni-channel approach. Visit www.comexposium.com for more information about Comexposium.

About HTX

HTX is the Science and Technology agency in Singapore that integrates a diverse range of scientific and engineering capabilities to innovate and deliver transformative and operationally-ready solutions for homeland security. As a statutory board of the Ministry of Home Affairs, HTX works at the forefront of science and technology to empower Singapore's frontline of security. The mission is to amplify, augment and accelerate the Home Team's advantage and secure Singapore as the safest place on planet earth. Singapore's Home Team Departments include Singapore Police Force, Singapore Civil Defence Force, Immigration and Checkpoints Authority, Singapore Prison Service, Central Narcotics Bureau, etc.

About TechX Ventures

TechX Ventures is set up by HTX (Home Team Science & Technology Agency) under the Singapore Ministry of Home Affairs to bring together global thought leaders from government, industry and academia to exchange ideas, network and collaboration that helps to bring the development of public safety and security science and technology to the next level. To support this mission, TechX Ventures organises the biennial TechX Summit and other homeland security science and technology related events to provide a knowledge exchange and networking platform, where the innovations are shared and explored.
